

Leadership Award Eligibility

The award is open to professionals charged with managing construction risks for their employers (including but not limited to risk managers, chief financial officers, safety managers, loss control specialists, and claim managers.) Nominees should have at least 10 years of experience in construction risk management roles (may be cumulative and include past work experience) at the time of application for the award. Individuals who meet the 10 year experience qualification and have retired from their risk management position in the last 5 years are also eligible for award consideration.
